Brief Explanation of Governance

Each group in the church will develop measurable (SMART) goals that will allow all the committees and groups to stay on track. And each group has a staff or MET member to go to for support and assistance. The Board will oversee and evaluate MET 's accomplishments towards achieving USG's mission, vision, and the Board's strategic initiatives.

Board's Strategic Initiatives

- 1) Member Engagement Ensure the five tenets of the membership covenant are known, meaningful, and engaging.
- 2) Spiritual Development & Growth Offer a variety of lifespan spiritual development opportunities .
- 3) Outreach Create opportunities to connect, witness, and serve beyond our congregation.
