WOULD YOU LIKE AN ORANGE STICKER?

The orange sticker means
"I'm being cautious regarding Covid."
If you are at USG for a USG event and would
like to signal others that you are being
cautious, for whatever good reason you might
have, please take a sticker, available outside at
USG's side door and in the Little Free Library,
and indoors in a few places by July 5.

Nobody has to wear a sticker, but if someone is wearing one, let's treat them with respect and give them their space, no questions asked.
