

Mask Requirements During the Pandemic
and
Music Recorded for USG Worship

8/17/2021

Mask requirements

Masks are required inside the building, *with the following exception*:

- No masks are required if you are in a private space and nobody else is there, or the only people there are members of the same pod. This includes an office with the door open.

Music recorded for USG worship services

Music recorded by USG members or friends after the date of this policy will not be used at USG worship services unless it complies with these requirements for singers at USG, regardless of where it was recorded:

- *Indoors*: singers must be fully vaccinated; wearing masks; and at least 3 feet apart
- *Outdoors*: fully vaccinated singers may sing without masks, provided they are at least 3 feet apart.
- *Outdoors*: singers who are not fully vaccinated must wear masks and remain at least 6 feet from anyone else.
