WOULD YOU LIKE AN ORANGE STICKER?

The orange sticker means

"I'm being extra cautious regarding Covid."

If you are at USG for a USG event and would like to signal others that you are being cautious, (for example, avoiding hugs and handshakes) for whatever good reason you might have, please take a sticker available at USG entrances.

Nobody has to wear a sticker, but if someone is wearing one, let's treat them with respect and give them their space, no questions asked.

USG's Outdoor Space Use and Outdoor Masking Policy

USG groups and committees can apply to meet on USG grounds at [USGUU.ORG](https://usguu.org)> Members> Request Outdoor Meeting Space.

Our top priorities:

Inclusivity and safety....

so please read the regularly updated guidelines carefully!
