

Effective 11/11/2022

*From the COVID Task Force and the Moving Ahead Steering Committee (MASC)
Replaces USG Covenant for COVID Safety, in accordance with Board's delegation of all COVID Safety decisions*

COVID Safety at USG

USG asks all who wish to attend services in person to be immunized as per CDC recommendations. If you are not immunized or have impaired immunity, please participate online or wear a mask at all times when you are indoors. If you are feeling unwell, including new onset of cough, nasal or sinus symptoms, sore throat, or other COVID symptoms, please stay home and participate in online activities.

Effective Nov 13, 2022, masks are optional when Philadelphia is at the low or medium community risk level as designated by CDC. Masks are required indoors if you recently have been exposed to someone with COVID. Masks will be required for everyone if the community risk level for Philadelphia returns to high.
